

I WANT TO KNOW WHO GIVES THE NAB THE RIGHT TO TRY TO STOP SATELLITE RADIO. I AM ALSO AN AMATEUR RADIO OPERATOR & I I HAVE THREE XM RADIO RECEIVERS. SATELLITE RADIO IS THE BEST THING TO HAPPEN SINCE COLOR TELEVISION. I FIND INSTANT TRAFFIC & WEATHER CHANNELS A BOON TO SATELLITE RADIO & IT'S A GREAT SERVICE WHICH WE PAY FOR AS PART OF THE WHOLE PACKAGE. I LISTEN TO COUNTRY MUSIC ON XM RADIO BECAUSE THERE ARE NO COUNTRY STATIONS IN MY LISTENING AREA.

THANK YOU JULES DUCKER (KA2GJU)
